Our office has received a Special Recreation Permit Application from the Wild Bunch Motorcycle Club, a club within the Motorcycle Racing Association of Nevada (MRAN). The Wild Bunch propose to conduct their club's annual event, a hare scrambles race, over public lands in the Goodsprings area.

The race would be called the "Goodsprings Hare Scrambles." The club anticipates 100 to 150 racers total for the event. The main pit and start/finish area would be located approximately 3.5 miles west of the town of Goodsprings near the Wilson Pass area in an old disturbed area used as a pit area in numerous previous events. The proposed route is comprised of existing motorcycle course, old mine haul roads and sand/gravel wash segments. Mini racers would race on Saturday, February 28, 2004 on existing course.

The big bike race would occur on Sunday, February 29, 2004. The course would consist of 2 laps over the 28.5 mile course, for a total of 57 miles to finish.

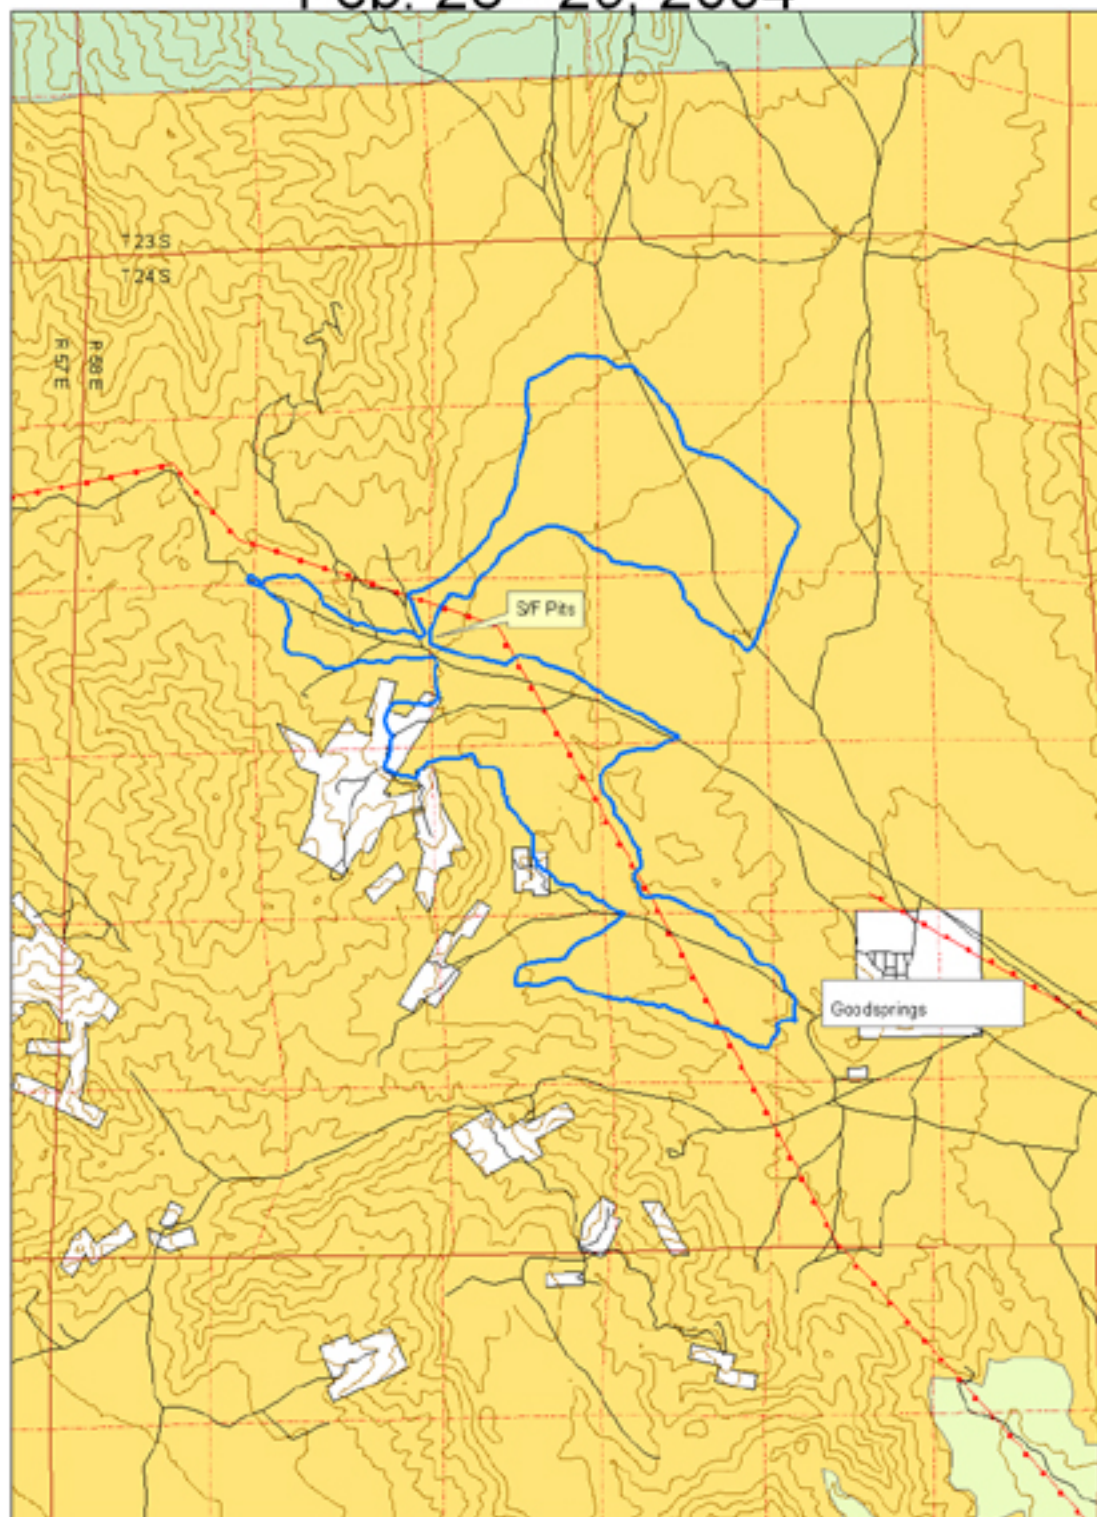

All-terrain vehicles (ATVs) or pre-running the course is prohibited. All race-related spectators, families and friends would be limited to the start/finish and central pit area only.
